WEATHER INFO: Winds-> 12.1 mph @ 317, 8.8 C, 21.9% RH, 610.4 Torr, clear

1. Tom, Sean, Mike and Nick are on site.
2. Sean brought up a load of supplies.
3. We cleaned, derusted and reinstalled the azimuth bumper stops.
4. We cleaned, derusted and reinstalled the two brake-disc sectors needed to complete the ring.
5. Lucy and Bob F. came by for a visit.
6. We lifted the rx cabin to the zenith. We emptied several buckets of water through the cabin drain holes in the process.
