MEMORANDUM

To: All ARO Personnel

From: Thomas Folkers

Date: May 31, 2006

Subject: Mountain Driving.

This memo is to remind everyone who travels to the sites that it is imperative that we obey all traffic laws while driving on the mountainous roads leading to our telescopes.

I have, on numerous occasions, been informed by the UAPD of university personnel traveling too fast on the Mt Graham highway. Mostly these complaints involve LBT of Tech Div personnel, but I'm sure we are all guilty at times.

So, a little reminder of the kind of things to look out for:

- Stay on your own side of the road.
- Obey the speed limits.
- Watch for others especially during the summer months when the public has access to the road.

University Police can and will ticket us if we are in violation of any traffic laws.

Thank you and be safe.

Thomas Folkers

Operations Manager
